IF YOU ARE REGISTERING A NEW PLAYER FOR 2009-2010

His/her birth certificate/extract will need to be sighted by the Registrar. This can be done on Registration Day at the Heathridge Clubrooms or by sending in a photocopy of it with your registration form.

If either or both parents/guardians wish to be members of the Club each party needs to complete and sign the application on the registration form.

AGE GROUPS

The player's age as at the **1ST OF SEPTEMBER 2009** will determine which team they are permitted to play in. Under this rule for example, players turning 15 before the 1st September will play in an under 16's team (or higher,) whereas the player who turns 15 after the 1st September is still eligible to play in an under 15's team. Players are not permitted to play in a younger aged team, but are allowed to play up to 2 years above their age.

PERSONAL EQUIPMENT

*Although the club provides each team with a 'Kit' bag containing: - stumps, bails, bats, pads, gloves, 2 helmets, and a first aid kit, **for hygiene reasons it is suggested all players have their own helmet and personal protector (box)***

ALL BATSMEN FACING A HARD BALL MUST WEAR A HELMET

TO THE PARENTS AND GUARDIANS OF ALL PLAYERS

The parents of the players run junior cricket, whether on the Committee, as a coach, manager, scorer, umpire etc. **There are no "professionals" paid to coach teams and no persons paid to run the club.** All resources come from the parents (including a good deal of the money to cover the costs)

If the Club is unable to get the support of parents to help their child's cricket we are unable to offer places in organized junior cricket games.

All parents are asked to consider how they can help their child's cricket by ticking one or more of the jobs listed on the registration form.

For parents contemplating coaching, there is a Level 1 coaching course available and the Club will reimburse the course fees on successful completion. If you have questions about coaching please talk to the Coaches Coordinator, **JOHN CHIN on 0405 338 475.**

CLUB'S POLICY ON PAYMENT OF FEES

The Club will continue its policy of full payment of registration fees before a player can take the field in a match. One thing that members of the Committee, Coaches and Managers and especially the Registrar don't like doing is being a debt collector!

If parents are unable to get the fees together all at once arrangements are to be made with the Registrar to make regular part payments.

TEAM PHOTOS

This year we will be having team photos taken. The cost for these photos will be included with your registration fees.

In2CRICKET is the new name for Have-A-Go/Game. This concept is supported by the **WACA** to encourage participation by all players and the involvement of parents. We as a Club will still be running this program in a similar way as previous seasons with programs for 5 – 6yr olds & 7 – 8 yr olds. The registration fee for a player includes the provision of an **In2CRICKET** kit purchased through the **WACA** and also team or group photos are included in the fees this season. Registrations for this program can still be done at our registration day or by mail.

TEAMS

When organising teams, we take into account the team your child was in previously, who has coached them, their **experience** and their **ability**. Should your child wish to play in a particular team, with a particular coach or with another player, you may indicate this by writing the details on the Registration Form.

The Club does not guarantee that it will meet the request, but we will do our best to place players into the team requested.
